RAVEN ROOFING

Our Mission is to be the respected leader in superior roofing services by consistently improving the quality of our product; by creating value for our clients through skill, foresight, innovation, and exceptional workmanship, and to provide our services with character, integrity, and honesty.

JOB GOAL

Under the direction of the Superintendents and General Manager, the Foreman will lead the production of new and re-roofing projects. The Foreman will oversee all workers and liaison with the sites General Contractors while maintaining Ravens high safety standards. Ongoing communication will be done with the Superintendents and the General Manager.

SKILLS AND ABILITIES

- You are reliable, attend work every day and always arrive on time, prepared for the work ahead of you and your crew
- Working knowledge of a variety of roofing systems – EPDM, TPO, SPS and familiarity with metal roofing is considered an asset
- Ability to read blueprints and plan the work of the crew according to deadlines and goals
- Experienced at operating vehicles, mechanical devices, construction equipment and power tools
- Supervisory experience with great leadership and interpersonal skills
- Demonstrated accuracy and organization in completing and submitting company paperwork
- Strong communicator and well respected by your peers
- Good time management skills with a strong ability to keep to schedules
- Maintain compliance with all company safety protocols, policies and procedures
- Comfortable working at heights greater than 10 feet
- Can perform physical activities including bending, kneeling, lifting, climbing, standing for long periods of time and safely climb ladders, scaffolding and stairwells

EDUCATION AND EXPERIENCE

- Minimum 10 years of experience in the commercial roofing industry
- RCABC training
- Valid BC Driver's License and the submission of the Drivers Abstract
- First aid, WHMIS and Fall Protection training
